

Week St Mary Parish Hall

The hall has had another successful year. We had our usual bingo, quiz nights, numerous birthday parties, roast luncheons (which are very popular), Christmas craft fayre, Christmas tree festival with Father Christmas and we celebrated VE Day with a cream tea – this is just mentioning a few of our fundraising events.

Coffee Pot and pilates continue to have their weekly meetings, also Meet and Eat, Penbode Vets and Cornwall Council are using the hall quite often, plus Stratton Young Farmers.

We replaced the cooker, kitchen water heater, the last fire exit door (all windows and doors have now been replaced). We bought a screen, as this was being asked for quite often, and resurfaced the car park entrance.

I would like to thank Stephen Smith for auditing the accounts and thank the committee for their help and support and the village for supporting the hall throughout the year. Thank you.

Margaret Johns
