

Week St Mary Parish Hall

2022 was a very successful year. We celebrated our 50th anniversary in April with bingo on the Friday night and a high tea on the Sunday, with Rae Orchard, who was the first hall secretary, cutting a celebratory cake.

In July, we had a Bring and Share lunch on Sunday 5th to celebrate the Queen's Jubilee.

We had a wedding reception on August 3; funeral teas over the year, plus numerous birthday parties, plus our own fundraising bingo and quiz nights.

Richard and Karen organised a very enjoyable curry night and quiz in November. Our Christmas craft fair was well supported.

We had windows replaced, the first phase in September and the second phase in November.

I would like to thank the committee for their help throughout the year and the village for their support.

Margaret Johns, chairman

(2023)
