

## WEEK ST. MARY VILLAGE WEBSITE REPORT 2024

The village website is now in its 19<sup>th</sup> year and is a popular source of information regarding all aspects relating to the village. The main sections contain information on the Parish Church, the Parish Council, our popular Community Shop, an Event Calendar and a comprehensive **Index** of all pages on the website.

One of the most used sections is the database of Headstones, found in both the Churchyard and in the Methodist Cemetery. Many searches of this database are used for genealogy research.

We are so lucky to live in a village that has a ripe history dating back to beyond the Domesday Book.

During the past year, the website has seen a constant rise in the number of 'hits', as shown in the following table:

**Total 'hits'** **966,541**

We will never know why people from these countries are so interested in our village,  
but it does confirm our presence on the World Wide Web!
